

From the **AIRPORT**, take the AP7 towards Algeciras. Exit **1008 Benalmadena**. Turn right, on your left you'll find the **El Higuero** restaurant/gas station. At the roundabout, DO NOT go straight, take the second exit downwards until the next roundabout.

OFFROAD: Take the second exit downwards, at the new roundabout go straight, follow the dirt road, pass through a small shallow puddle and sharply turn left uphill, continue straight until you reach a crossroads, turn right onto the gravel road, drive carefully and keep going straight. At the water tank with an open square, turn right and go straight. Welcome!

NOT OFFROAD: Take the third exit, cross the bridge over the AP7, continue straight down between the apartments towards the sea. At the end, go under the large bridge, at the roundabout turn right until you reach the next roundabout. Hotel **Globales Gardenia** will be on your left, take the first exit on the right, you'll see the D&D shop on the left, now go under the railroad bridge and continue straight. At the next two roundabouts, go straight, pass under the AP7 bridge and always go straight. On your left you'll see the La Paz sign. Next to the garbage cans, keep going straight, at the crossroads you'll see "casanicky" signs on the left and right, go straight on the gravel road, drive carefully, at the water tank with an open square, turn right and go straight, welcome!

From **MARBELLA**, take exit **1013 Benalmadena Costa**, continue straight at all roundabouts until you reach the roundabout with Hotel **Globales Gardenia** on your right, take the second exit to the right, you'll see the D&D shop on the left, now go under the railroad bridge and continue straight. At the next two roundabouts, continue straight, pass under the AP7 bridge and always go straight. On your left you'll see the La Paz sign. Next to the garbage cans, keep going straight, at the crossroads you'll see "casanicky" signs on the left and right, go straight on the gravel road, drive carefully, at the water tank with an open square, turn right and go straight, welcome!
